

Make Complete Use of Your Outdoor Space with Our Range of Propane and Equipment from BOC SURESERVE®

Why Not Make Use of Your Outside Space and Boost Your Profits?

Al fresco eating and drinking is increasingly popular – even if the UK climate doesn't always oblige! More and more pubs, bars, hotels and restaurants are making profitable use of the 'outside room' with patio heaters and barbecues offering a relaxed convivial centrepiece, whatever the season.

Patio Heaters

Keep your customers warm while they relax in your beer garden, with our patio heater range we can help you to keep the spirits up even on the coldest days. Call our customer services on 08457 302 302 now to order your heaters.

BOC – turning ideas into solutions

BOC is a member of The Linde Group, the leading global gases and engineering company. BOC is the UK's largest provider of industrial, specialist and medical gases, as well as related products and services. As a leader in the application of technology, we are constantly looking for new ways to provide our customers with high quality products and innovative solutions.

At BOC we help our customers to create added value, clearly discernible competitive advantage and hence greater profitability. To achieve this we have a comprehensive range of products, services and technical support, which can be customised to meet the individual requirements of our clients.

To keep ahead of the competition in today's market, you need a partner for whom quality, service, process and productivity optimisation are an integral part of customer support. We are there for you and with you, helping to build your success.

BOC's reputation has been forged through partnerships – with customers, with relevant regulatory authorities and with key suppliers. In this way, we deliver comprehensive and consistent benefits to you.

BOC – world-leading knowledge and resources adapted to local requirements.
